

COMMONWEALTH PHARMACISTS ASSOCIATION

PHARMAID

The Annual Collection of Recent Editions of the BNF will take place from the 17 - 21 November

The need for recently outdated copies of the BNF in the Commonwealth developing World is desperate. The shipping cost for the books are met by the Commonwealth Pharmacists Association and local representatives ensure that the books go to pharmacists, doctors, nurses, dentists and other allied health professions.

Please take your copies of:

BNF 54 and BNF 55

to any pharmacy that stocks AAH Pharmaceuticals. If you are not sure where this is then contact Kay Collings of AAH Pharmaceuticals on 02476 432453 who will be able to give you details of the nearest designated pharmacy to where you are.

The van driver from AAH will collect the books from the pharmacy and take them to a central warehouse (thus saving you the expense of postage).

The PharmAid Scheme is the most practical way that British health professions can make a real difference to the quality of therapeutic care in developing countries.
